Feature Summary

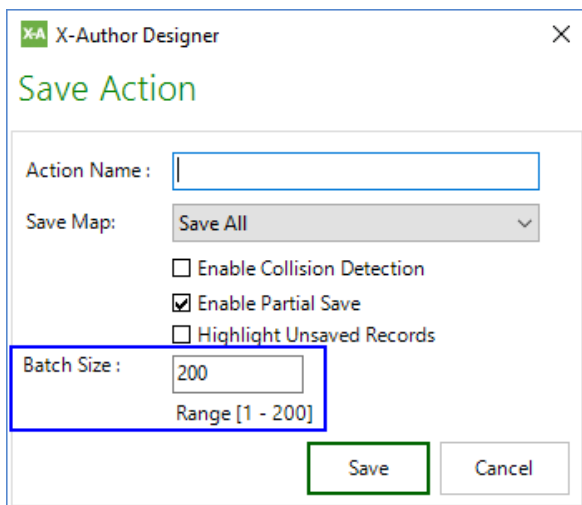

The following features are new to X-Author for Excel in this release.

- [Specifying Batch Size for Save Actions](#)

Specifying Batch Size for Save Actions

X-Author designers now have the ability to specify a Batch Size for save actions that are a part of their app. This feature is recommended for reducing Batch Size on Save Actions with hundreds of records that use complex logic.

Designers can specify Batch Size when configuring a Save Action for **Inserts**, **Updates**, and **Upserts**.
